## Newsletter - April 2015 Issue No 1

---

Hi Everyone,

We had a great weekend at Counties Sun Club with 9 members and some Counties members joined in too and we spent a great time relaxing, some went swimming in a cold pool and then jumped into a hot spa. On the Friday night Peter (Counties' President) arrived with bundles of fish 'n' chips to share so that saved us cooking sausages. While having dinner David Jones (marketing accommodation agent from Melbourne) arrived. He is currently going around North Island clubs seeing what the facilities are like and reporting back to INF on accommodation available for before and after the INF Congress being held in Wellington in November 2016. David stayed the night and then went to BOPSC after morning tea.

On Saturday, although the weather was changeable, (but no rain) we sat around and talked about what we would like to see happen in the Club, followed by Happy Hour and pot luck dinner which turned out to be "how many ways are there to cook a sausage".

On Sunday Christine cooked breakfast for everyone and we sat out in the sunshine to eat and relax.

Some members left Counties on Sunday afternoon and others were staying over until Monday. Next time we have a rally I plan to give you plenty of notice.

You probably wonder why I send out club newsletters to you all. First it is a NZNF policy to send newsletters to other clubs' secretaries for them to pass on to their members and to place a copy on the club's notice board. As we don't have a notice board it is easier to send it out. If you see an event listed at one of the clubs and you would like to attend, just phone or email the club and ask if you may and book if you need accommodation - you will be welcome to attend be it for a weekend or just overnight. Now that Easter and School Holidays are approaching a lot of clubs have functions scheduled so keep an eye out for a club in your area.

Before we left Counties yesterday, Counties invited NZN to attend their Mid-Winter Christmas. They will get back to me with details of when it is to take place. NUDVAN have been invited also. So it will be a great weekend. I will keep you informed.

Enclosed with this newsletter is the latest Contact List. Sorry it is late in being sent out but I have had to do some additions and deletions to it. I have also enclosed your invoices for the year.

Please when paying your sub by internet can you include your Reference number to the Treasurer. Also can you please send to me your email address as I have had quite a few “bounce” back? If you haven't been receiving emails from me this could be the reason why.

Members have been telling me they have had trouble contacting me as my emails keep “bouncing back”. My email now has 4 aliases and you can contact me on either. There is my email address on my letterhead [nznaturists@gonatural](mailto:nznaturists@gonatural), [nzn@gonatural](mailto:nzn@gonatural) is on my signature, plus [nznaturist@gonatural](mailto:nznaturist@gonatural) and [supporter@gonatural](mailto:supporter@gonatural) can also be used I will receive email from any of them.

If you have any ideas regarding places to visit for a rally please let me know. I plan to visit some DOC camps and we can have a safari in the summer holiday period. May I have your ideas please?

Kind regards
