

## **GUIDELINES FOR CLUB NZNF DELEGATES**

**The NZNF Council comprises the members of the Executive Committee and the Delegates of each club.**

Club Delegates play an important role at the NZNF AGM. Not only do they represent and vote on behalf of their club, but they help to shape the future direction of the national organisation.

Here are some ideas to help delegates fulfil their role:

- Discuss with your committee any matters that the club feels need to be brought to the AGM as a remit for discussion by the Council, and ensure the remits are submitted on time.
- Discuss the annual business papers with your committee to decide how you will vote on any remits.
- Discuss general business topics with your committee so that you are prepared to contribute to discussion.
- Bring up any other general business matters your club wishes to raise for discussion by the Council as a whole.
- Listen to other club delegates for ideas to bring back to your club.
